

Family Planning Clinic

At the Williams County Health Department

DID YOU KNOW? The Fulton County Health Department provides a family planning clinic at the Williams County Health Department. The clinic is set up to serve both women and men regardless of insurance status. Our services are provided on a sliding fee scale, according to household size and income. No one is ever turned away because they are unable to pay.

Some of the services provided at the clinic include:

- Obtaining health history and education
- Physical examination
- STD testing and treatment
- Providing a variety of birth control methods including the pill, the Depo-Provera shot, the Mirena IUD, the Ortho Evra patch, and condoms

The clinic is held on the second and fourth Thursday of every month from 10-11:00 am, and from 1-4:00pm.
