Williams County Health Department Announces Changes in Services in Response to COVID-19

Montpelier, OH – As COVID-19 (coronavirus) continues to spread in Ohio, including community spread, the Williams County Health Department will be making changes in services to promote social or physical distancing. For all services at the health department, please bring only the people essential for the appointment to reduce the number of individuals waiting in our facilities to maintain social distancing.

The following changes are effective March 19th, until further notice:

Women, Infants, and Children (WIC)

The Williams County Health Department will continue WIC services and benefits at both the Montpelier and Bryan offices; however, locations for services will vary by day. Please call either the Montpelier office (419-485-3141) or Bryan office (419-636-8754) to confirm before arrival.

Immunization Clinics

Immunization appointments have been postponed. The Williams County Health Department will notify the public when immunization clinics resume.

Birth & Death Certificates

Birth and death certificates will still be issued from our office. The Williams County Health Department will be offering mail service to limit in-person contact. Please mail in your request with a check or money order for \$25. Order forms can be found on the Williams County Health Department website. You may also call in your request and pay by debit card for \$26.50 and it will be mailed to you. Funeral homes or directors, call the Williams County Health Department for more information.

Environmental Health Services

All walk-in business is not available at this time. The Environmental Division will issue licenses and permits as required by Ohio law. All complaints will still be addressed. Please call if you need a permit or license.

Child Passenger Safety Program

For the time being, car seat checks and appointments have been postponed. You can find other registered Child Passenger Safety Technicians in the Williams County area on the [National Child Passenger Safety website](#).

If you have questions regarding the services offered by the Williams County Health Department at this time, please call our Montpelier office: (419) 485-3141.
