

Williams County Health District

2023 Household Sewage Treatment System (HSTS) Repair or Replacement Program

Are you eligible for assistance?

Match the number of people in your home with the total/combined household income to see where you may qualify. Please note on the second page that the Operation Permit fee is not an allowable cost and that you are responsible for paying that fee to the Williams County Health Department when you submit your Installation Permit Application.

Persons in Household	Income Guideline*	You Pay
1-4	\$27,750	0%
5	\$32,470	
6	\$37,190	
7	\$41,910	
8	\$46,630
